

Scottish Housing Regulator

National Panel

Add your voice, help us improve services...

Would you like to help improve social landlord services in Scotland? The National Panel is one of the ways that the Scottish Housing Regulator can hear what people think and make sure they focus on the important things.

Panel members are asked for their views on a range of issues affecting people who use social landlord services. You will receive occasional surveys, information updates and invites to take part in other feedback exercises. Participation is always optional, and you can leave at any time.

The Regulator wants to include as many different voices on the Panel as possible, including people who are not involved in other ways of giving views on landlord services (most members are not part of local tenant forums). Members include **Council and Housing Association tenants**, people who are using or have used **homeless services**, home owners who receive **factoring or common repairs** from a social landlord, and people living on **social rented Gypsy/Traveller sites**.
